

## We Install It

Picture this: after many months of anticipation, your new home is finally complete. The big move goes well and at last you can relax in your new home theatre to enjoy a movie with your family. But there's one very large problem – your home theatre or living room is still not complete. The TV looks too small or out of place and needs to be wall mounted, plus your audio visual system is a jumble of cords and wires and needs to be set up and tuned into a TV antenna that does not exist. 'We Install It' are the audio visual & digital antenna experts and are a Perth-based company specialising in all the latest audio visual, digital antenna & home theatre products. The team of audio visual professionals are happy to assist you in any way possible and offer fixed price installations seven days a week (including after hours) at no extra charge.

'We Install It' can supply all the latest brands and have a huge range of products available including plasma TVs, LED TVs, LCD TVs, projectors, projector screens, surround sound systems, speaker packages, plasma mounts, LCD and LED brackets, cables and TV stands to ensure your home theatre and hi-fi system is ready for you to enjoy.

### Some of the services available at 'We Install It' include:

- Home theatre & Audio Visual
- TV Wall Mounting
- Digital Antennas
